

Uganda Wildlife Safari in Murchison Falls National Park.

4 Days, 3 nights

Day 1: Entebbe - Murchison Falls N.P –Paraa Safari Lodge App. 6 hours drive.

Meet on arrival at the airport, our airport staff will introduce you to the guide for a briefing on your safari and start the adventure. Beginning with a panoramic drive northwest, you will proceed to Murchison Falls National Park arriving in the evening
Dinner and overnight at Paraa Safari Lodge.

Day 2: Game Viewing Safari - Murchison Falls N.P – Game drive and River Nile Water Safari to The Famous Murchison Falls

After Breakfast have an early morning game drive to the delta circuit.

A drive through the scenic Buligi area west of Paraa to the Delta Point (where the Victoria Nile passes through the northern tip of Lake Albert to become the Albert Nile) takes around three hours. Expect a possibility of spotting the leopards along the leopard track, the Jackson's hartebeest, large concentrations of Uganda Kobs because of the many breeding grounds and large families of the Defassa waterbuck, togetherwith giraffe herds, groups of the dainty oribi and buffalo herds. The high supply of Kobs calls for an unavoidable pride of lions to the delta too.

In the late afternoon, you will have the highlight of any visit to Murchison Falls Conservation Area -the Boat trip to view the magnificent Murchison Falls.

You will safari upstream by boat to the calm Victoria Nile and the base of the falls just tens of meters from the “Devil’s Cauldron.”

Trip will depart at 2.00pm. Hippos and crocodiles are abundant and you will see plenty of game and bird life.

Dinner and overnight at Paraa Safari Lodge.

Day 3: Game viewing, Paraa – Chobe is about 2 hours drive.

A relaxed morning before driving to Chobe, enroute you will enjoy a game drive as your guide helps you spot the plethora of wildlife found in the Park.

Arrive Chobe Safari Lodge in time for lunch.

In the afternoon, enjoy a nature walk in the African bush.

These walks take place from the lodge itself with an experienced ranger guide. The walk takes you to a nearby waterhole and salt lick. You will be delighted to see how many animals gather at this spot daily. On the way you will see plenty of bird life, primates, giraffe, elephant and possibly some of the rare cats in the area!

Return to Lodge and unwind in the the spa with one of our famous massages.

Dinner and overnight at Chobe Lodge.

Day 4: Return to Entebbe International Airport – App. 5 hours drive.

After breakfast, set off for the airport and arrive in time for your return flight
